Pavilion & Grand Pavilion Required Assembly Tools

Vixen Hill offers on-site assembly management to oversee your installation, or handle the entire installation for you. Please contact us for a quote. On-site management is included in the purchase of the Grand Pavilion. The crew of two (2) is for supervision and will stand ready to help and assist, but have not the responsibility to assemble the unit alone. Allow 240 man-hours for assembly of a Grand Pavilion and 24 - 38 hours for a Pavilion (On leveled pre-cored prepared foundation). This number does not include portage to site and clean-up. The foundation should be ready and drilled prior to the arrival of our crew for installation.

The contractor is responsible for providing an assembly crew of at least 10 strong & able laborers with the following tools & equipments:

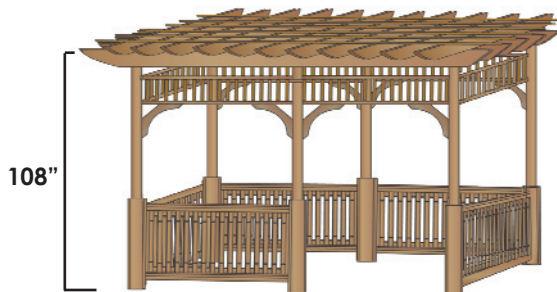

- Wrenches 5 sets of ratchets & sockets 5/8" and 3/4" , 5 crescent or box 5/8" and 3/4"
